

'MULSANNE' SEATS

'Mulsanne C' Low Back Seat.

'Mulsanne C' Carbon Fibre Seat with Cushion Kit & Composite Subframe.

Mulsanne C/G/GTC/GTG:

Twin skin, hollow section race seat made in autoclaved carbon fibre/GRP. The seat is extremely lightweight (Mulsanne C= 2.4kg) yet very stiff, giving an excellent driving experience.

Mulsanne B/GTB:

Cheaper, single skin seat made in Carbon & GRP for the less weight conscious (Mulsanne B= 3.8kg).

The 'Mulsanne' can be simply trimmed to keep weight down and enhance race styling with our Seat Cushion Trim Kit.

GT: Wider Seat, **C:** Carbon, **G:** GRP, **B:** Single skin seat

'MULSANNE' SEAT FITMENT DETAILS

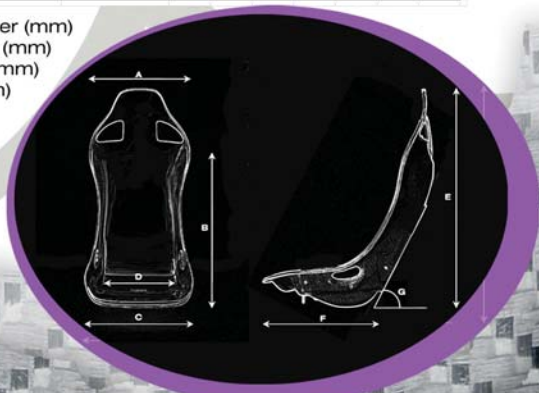

A narrow seat designed to be a drop in replacement for seats in the Lotus Elise (S1 & S2), Exige and 340R. **For fitment use:** ReVerie's universal fit fixed composite side mount subframe. **Or:** Lotus Elise/340 R Subframes (Driver's side adjustable).

'MULSANNE GT' SEAT FITMENT DETAILS

A wider seat designed to fit the majority of vehicles. **For Fitment Use:** ReVerie's universal fit fixed composite side mount subframe. **Or:** Universal fit tilt/slide seat rail (available soon).
